

Family Engagement Goals 2016-2017

Objective:	Action:	Expected Outcomes	Staff Responsible	Documentation
<u>Families as Life Long Educators</u>				
Provide Community Resources to families so that can complete their goals and become more self-sufficient	Have each family complete the Family Outcomes 3 times per year with their Family Service Advocate. Also, connect families with Call 2-1-1, Whole Family Connect, and other community resources based on the information given on the Family Outcomes worksheet	Increase the average points but 2 points per year with families in the Family Outcomes worksheet.	Family Service Advocates, Home Visitors, and Family Services Manager	Family Outcomes report from Child Plus
Have parents work with their child at home on activities that relate to what is being taught in the classroom	Teaching staff will send Home Links weekly to families with activities that relate to the classroom lesson plans.	Increase the amount of Home Links returned to school each year by 2%.	Teachers, Teacher Assistants, Education Manager, Home Visitor, and Family Services Advocate	Home Links that are returned
Offer parent trainings on Positive Parenting, Literacy, ect.	Plan family nights to have trainings for parents bi-monthly. Also, send home fliers about Parenting Trainings that are offered in the Community and handouts	Parents will have an awareness of trainings in the community to assist them in their parenting needs.	Family Service Advocates, Home Visitors, Family Services Manager	Copies of handouts to parents, Family Night Invitations, and Community Trainings. Also, surveys from Family Night as well as sign in sheets

	that would be beneficial to families			
<u>Family Well Being</u>				
Families will become more physically active with their child.	Send home a monthly activity calendar with physical activities for the family to participate in.	Families will have a greater awareness of being physically active with their child on a regular basis.	Family Service Advocates, Home Visitors, and Family Services Manager	Parent Survey data at the end of the year
Families will become more aware of healthy and nutritious snacks and foods for their families.	Teaching Staff will use Reggie Rainbow in the classroom to offer more exposure to fruits and vegetables. Have a "Farmers Market Stand" at a family night to give families to opportunity to purchase healthy foods.	Families will become more aware of healthy food options as well as knowing where to purchase the items. Children will have opportunities to try new fruits and vegetables and have a greater awareness of varieties.	Teachers, Teacher Assistants, Education Manager, Family Service Advocates, Home Visitors, Family Services Manager, Health Manager	Parent Survey data at end of the year and Family Night Survey data
